Dreamworks Animations' SuperKaraokeDanceParty

**\*\*Hello, fans. You remember the Shrek karaoke dance party, the extended ending from Shrek? Yeah, that was a lot of fun. So, for the first time ever, I've decided to make a Dreamworks Animation karaoke dance party with all of your favorite characters from the films. Shrek's gonna be in it despite that they've already did their own karaoke dance with five of the same songs along with news ones from our characters. Prepare to review, dear fans, for you are about to enjoy "DREAMWORKS ANIMATION'S SUPER-KARAOKE DANCE PARTY!"\*\***

**\*\*DISCLAIMER: I do not own all of the dreamworks characters and all of the songs that everyone knows and loves. Some of you might ask, "Why make a fanfic of all the dreamworks CGI animation characters from all of their films including the ones like Shrek, Kung Fu Panda, Madagascar, and How To Train Your Dragon? Let me assure that this is not a crossover, fans. Remember that.\*\***

\* \* \*

><p>At the Dreamworks Animation world, we see all of our favorite characters participating in an event so extraordinary. Most of those characters are the Kung Fu Panda gang, the How To Train Your Dragon gang, the Madagascar gang, the Over The Hedge gang, the Monsters VS Aliens gang, the Bee Movie gang (only Barry, Vanessa, Adam, and all of the other bees are there), the Shark Tale gang, the Megamind gang the Flushed Away gang, and the Shrek gang. They sat down to listen to the announcement from three founders of the company Jeffrey Katzenberg, Steven Spielberg, and David Geffen, standing on a balcony.<p>

"Ladies, animal friends, and gentlemen", said Steven Spielberg, "All of you are invited to sing all of the songs in a karaoke dance party we made."

"The reason why you are all here", said Jeffrey Katzenberg, "is because your films have cherrished all of the people in the world, including america."

"Now, which one of you would like to start the dance party?", asked David Geffen.

Jeffrey and Steven raised their fingers to pick who would be the first to start the dance party.

"How about...", said Steven Spielberg.

"Shark Tale", said Jeffrey Katzenberg, "would be the first to start the dance party."

Everyone cheers as all of the Shark Tale gang, including Oscar, Angie, Lenny, and Don Lino, start the dance party by singing the Car Wash song sunged by Christina Aguilera featuring Missy Elliot).

Angie: \*\*You might not ever get rich, ha\*\*
